GROW FAQs

Who can shop at the GROW Store?– Parents or caregivers of children 0-5 can use earned coupons at the GROW store. GROW is not income-based and is open to all families. The GROW program is limited to Grant County residents.

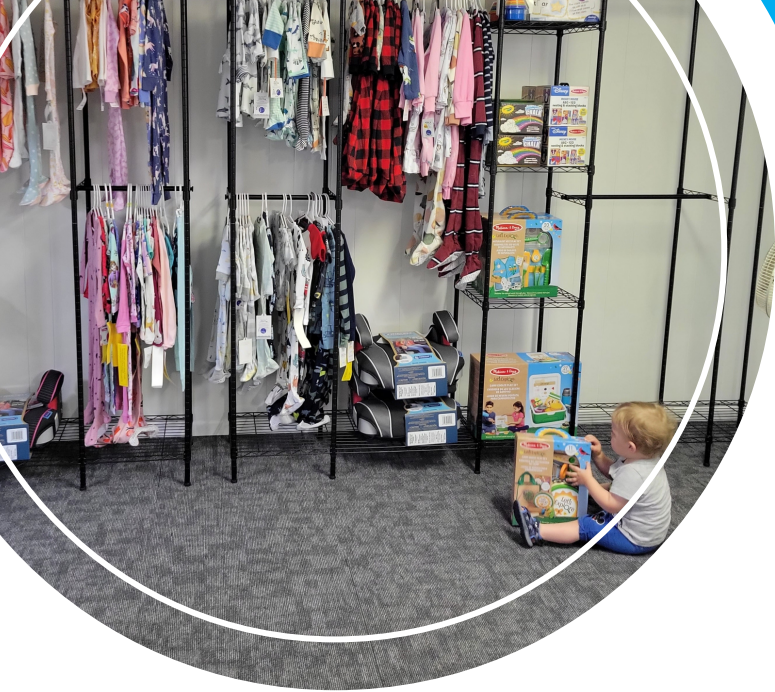

What is available in the GROW store?– Various items like diapers, wipes, toys, bottles, car seats, cribs, etc. Only valid GROW Store coupons are used for item selection(s). Although some items may not always be readily available/in stock, new and gently used items will be restocked as quickly as possible. Items are distributed on a first-come-first-served basis. GROW store managers/staff reserve the right to limit the number of items purchased based on inventory.

Do GROW coupons expire?– GROW coupons are valid for the individual child through the age of 5.

How do I get my coupon?– Coupon vendors decide which activities are "coupon worthy." Be sure to check with each vendor and let them know you are participating in the GROW program. Upon completion of the activity, they can issue you a coupon.

What if I lose my GROW coupons?– Keeping GROW coupons is the responsibility of the parent or caregiver. We cannot provide new issues of coupons if lost. Please be sure to keep your earned coupons somewhere safe and accessible!

Can a parent earn coupons for participating in an activity with an older sibling?– While we are excited that families participate in events together, they can only earn coupons for their eligible kids 0-5. However, they can earn a coupon for each participating sibling 0-5. For example, if a parent goes to story time with their 1-year-old and 4-year-old, they can earn two coupons for that activity.

FAQs cont. & Vendor List

What if my doctor doesn't provide GROW coupons?– Bring in a receipt from your appointment within two weeks of the date you were seen, and we will issue a GROW coupon to you for that visit.

Does GROW accept used items?– GROW will accept gently used items on a case-by-case basis. If you are interested in donating items, please contact info@thrivinggrantcounty.com to set up a time for review and drop-off.
